Promoting excellence in seafarers' welfare provision

Seafarers  
have your  
say!

## Centres

Which centres have given you the warmest welcome and the services you needed most?

## Companies

Does your company put its seafarers first?  
Does it support your family while you're away?

## Ports

Have you visited a port with free/cheap wifi?  
Did the port allow welfare workers to visit you on board?

## Individuals

Do you know a welfare worker who goes above and beyond to improve the lives of seafarers?
